

Ohio Transfer 36

The State of Ohio has developed a statewide policy to help students transfer their credits for courses completed at one Ohio public college or university to another Ohio institution. The Ohio Transfer 36 (formerly Ohio Transfer Module) policy statement is published on the Ohio Department of Higher Education (<https://transfercredit.ohio.gov/educational-partners/educational-partner-initiatives/ohio-transfer-36/>) website.

The Cincinnati State Transfer 36 consists of 36 semester credit hours that transfer to any Ohio public two-year or four-year college or university. Categories and credits students must earn for courses in the Cincinnati State Transfer 36 are:

English Composition	6
Mathematics	3
Social/Behavioral Sciences	6
Arts/Humanities	6
Natural/Physical Sciences	6
Transfer Module Electives	9
Total Credits	36

Students earning the Ohio Transfer 36 at Cincinnati State select specific courses (listed below) from the above-listed categories, in consultation with an academic advisor.

Students who graduate from Cincinnati State with the degree Associate of Arts (AA) or Associate of Science (AS) will complete all Ohio Transfer 36 requirements. Students earning the AA or AS degree also are required to complete additional courses selected from the Ohio Transfer 36 categories. The full curriculum requirements for AA and AS degrees are published elsewhere in this Catalog.

Students who graduate from Cincinnati State with the degree Associate of Applied Business, Associate of Applied Science, Associate of Individualized Study, or Associate of Technical Study may complete some Ohio Transfer 36 courses that are required for their degree, but will not automatically complete all Ohio Transfer 36 requirements. These students may choose to complete the Ohio Transfer 36 by earning the Ohio Transfer Module Certificate (<http://catalog.cincinnati.edu/academicdivisionsanddegreeampcertificateprograms/humanitiesandsciencesdivision/otmc/>) along with their associate's degree.

Students who are completing the Ohio Transfer 36, either as part of an AA or AS degree or as an addition to another degree, should consult with their academic advisor to ensure that courses selected are appropriate for the institution and the degree program that the student plans to pursue after completing studies at Cincinnati State.
