

Accounting Technologies

Accounting (ACCT)

The Accounting degree program provides students with an understanding of accounting skills and knowledge of business fundamentals. Students enhance their skills through cooperative education.

Students are exposed to all facets of the accounting profession, including intermediate accounting, tax accounting, cost accounting, computerized accounting, and auditing. Upon graduation, students will have a variety of employment opportunities in the accounting field. For further advancement, many students elect to continue their education at an area college or university.

Accounting (ACCT)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.
