

Pre-Nutrition Science (PNS)

Pre-Nutrition Science (PNS)

The objective of the Pre-Nutrition Science degree is to prepare students for transfer to a bachelor's degree program in nutrition science, dietetics with emphasis on business or exercise, or other dietetics-related programs. Students who complete the Pre-Nutrition Science program earn an Associate of Science degree and are well prepared to enter a four-year degree program at various institutions in the region.

Since course requirements and application of transfer credits at four-year institutions vary, students should work closely with their Cincinnati State academic advisor as well as the advisor at the institution where they intend to complete a bachelor's degree.

Students who complete a bachelor's degree program are required to complete an internship before they can take the credentialing exam given by the Commission on Dietetic Registration.

Pre-Nutrition Science (PNS)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.

Semester 1		Credits
ENG 101	English Composition	3
DT 110	COMMUNITY NUTRITION	3
PSY 110	Introduction to Psychology	3
DT 120	NUTRITION FOR A HEALTHY LIFESTYLE	3
