

Landscape Horticulture (LH)

Landscape Horticulture (LH)

The Landscape Horticulture program focuses on interior and exterior landscape design, installation, and management. Students complete foundation courses in horticulture, and then take additional technical courses in subject areas tailored to individual needs, including advanced landscape design, computerized landscape design, landscape construction, arboriculture, or greenhouse or nursery management. Core business courses prepare students for management positions. The Landscape Horticulture degree program is industry-accredited by the Professional Landcare Network (PLANET).

Landscape Design Certificate (LDC)

The Landscape Design Certificate is for students interested in learning landscape design skills, and is an excellent addition to the Landscape Horticulture major. For students who already have an associate's or bachelor's degree (usually in business or horticulture), the Landscape Design Certificate meets the need for professional credentials in the field of landscape design.

Landscape Horticulture (LH)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.

Semester 1		Credits
ENG 101	English Composition	3
LH 105	Horticulture Occupations	1
LH 120	SOIL SCIENCE AND PLANT NUTRITION	3
LH 125	TURFGRASS MANAGEMENT	3
LH 130	WOODY PLANT MATERIALS	3
LH 140	Landscape Operations	3
BUS 190	Professional Practices	1
Semester 2		
ACC 101	Financial Accounting	3
ENG 10X English	Composition Elective	3
LH 110	HORTICULTURE SCIENCE	3
LH 151	Landscape Design 1	3
