Students seeking an AAB, AAS, or ATS degree should consult the curriculum for their program, as published in this catalog, to determine how the general education requirements should be met. Individual degree programs may require students to complete program-specified general education courses, or may permit students to choose some general education elective courses. Transfer credit for social science or humanities courses completed at another institution, in disciplines not listed above, may be applied toward Cincinnati State graduation requirements with the program chair's permission.

Students seeking an AIS degree or an ATS degree not published in this catalog must meet general education requirements established for the specific degree program.

Students seeking the Associate of Arts or Associate of Science degree must meet the general education requirements for the degrees as published in the Humanities and Sciences section of this catalog.

## Program Graduation Requirements

### (Degree Audit Curriculum)

Requirements for each degree and certificate program at Cincinnati State are published each year in this catalog. Students are expected to fulfill the requirements in effect for the catalog year they are admitted to the program. This set of requirements may be referred to as the student's Academic Evaluation or Degree Audit curriculum.

Students readmitted to the College after an absence of one year or more are expected to fulfill the requirements in effect at the time of readmission.

Students should consult with their program chair or academic advisor to discuss any changes made to program requirements that could affect progress toward completing their degree or certificate program.
