

# Early Childhood Education (ECE)

---

## Early Childhood Education (ECE)

The Early Childhood Education program at Cincinnati State prepares graduates for employment in a variety of early childhood settings. Students who complete the program earn an Associate of Applied Science degree, and are eligible to apply for the Pre-Kindergarten Associate Teacher License offered by the Ohio Department of Education. This program allows graduates to move directly into related employment opportunities or to transition to a bachelor's degree program in a related course of study.

## Early Childhood Education (ECE)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.

<b>Semester 1</b>		<b>Credits</b>
