

Transfer Module

The State of Ohio has developed a statewide policy to facilitate movement of students and transfer credits from one Ohio public college or university to another. The Transfer Module (<http://catalog.cincinnati.state.edu/archives/2013-14/admissioninformation/institutionaltransfer>) policy statement is published elsewhere in this catalog.

The Cincinnati State Transfer Module consists of 36 semester credit hours that transfer to any public Ohio two- or four-year college. Categories contained in the Transfer Module are:

English Composition	6
Oral Communication	3
Mathematics	3
Social/Behavioral Sciences	9
Arts/Humanities	9
Natural/Physical Sciences	6
Total Credits	36

Students earning the Transfer Module select courses from these categories. The Transfer Module requirements are included in the degree requirements for students earning the Associate of Arts (AA) or Associate of Science (AS); however, students earning the AA or AS degree also are required to complete additional courses selected from the Transfer Module categories. The AA and AS requirements are published within the Humanities and Sciences section of this catalog.

Students completing the Transfer Module should consult with their academic advisor to ensure that courses selected are appropriate for the institution and the degree program that the student plans to pursue after completing studies at Cincinnati State
