

Application Process

College Email, User ID and Password

Recognizing increasing reliance on electronic communications, Cincinnati State creates a College email (Surge Mail) account for all applicants and students. The College uses the Surge Mail account as the official means of business communication for College information. Applicants and students must access and review Surge Mail on a frequent and consistent basis to stay current with College communications.

A user identification and password is assigned and sent to each student who applies to the College. Social security numbers are not used as an identifier for student records.

Home-schooled students should submit:

- An online Application for Admission.
- A notarized letter from their parents detailing the duration and the content of the student's home-school experience.

- Applicants must take the COMPASS[®]/ESL placement test.

International Students

Non-U.S. citizens who have been granted the status of immigrant, permanent resident, or refugee by the Bureau of Citizenship and Immigration Services may be admitted on the same basis as U.S. citizens. Students in these categories must provide the Office of Admission a copy of applicable documentation (permanent resident card, visa, I-94, etc.) for the application to be processed. International students will be eligible for registration only upon receipt of required/requested documentation. All other international applicants, at least two months before they intend to begin classes at Cincinnati State, should:

- Meet the College admission requirements of U.S. citizens, including completion of an Application for Admission.
- Provide proof of proficiency with the English language with a minimum TOEFL score of 500 (paper), 173 (computer-based) or 61 (Internet-based), sent directly from the educational testing service. Cincinnati State's school code is 1984.
- Submit an English translation of high school transcripts. If transferring college/university coursework from abroad, students must have transcript(s) translated and evaluated by an official Credential Evaluation Service. (Listing available upon request from the International Student Office.)
- Provide proof of adequate financial support. It is estimated that international students need a minimum of \$17,542 per year for tuition, books, living, and miscellaneous expenses. There are no scholarships or educational loans available for international students. Submission of a signed and officiated Certification of Finances Form, sent to the attention of the International Student Advisor, is required to verify the availability of sufficient funds to cover the cost of the education while attending Cincinnati State.

After receipt of the above-mentioned documents, and consequent offer of admission, all international students must submit a \$3,500 advance tuition deposit fee to the Cashier's Office. This deposit is credited to the individual's account and used only for payment of tuition and fees. The fee covers approximately one semester of tuition. The student must provide for all other expenses, including room, board, books, transportation, and incidental expenses. An I-20 Form is issued to the student only after the above-mentioned steps are completed.

For additional information regarding international admission, contact the International Student Advisor at (513) 569-1543, or visit www.cincinnati-state.edu/internationalstudent. Only certain international student visas are eligible for financial aid. Please see the Office of Financial Aid website at www.cincinnati-state.edu/financialaid to determine eligibility.
