Culinary Arts (CUL)

In the Culinary Arts program at Cincinnati State, students receive training in all aspects of food preparation, including methods of cookery, sauces, soups, butchery, garde manger, pastry, and confectioneries, in addition to culinary management. Graduates earn an Associate of Applied Business degree.

Culinary Arts Certificate (CAC)

The Culinary Arts Certificate is designed for the serious hobbyist rather than the industry professional-in-training. This program covers food service sanitation and basic cooking courses. Credits earned may be transferred into the Culinary Arts degree program. Students in the certificate program are ineligible for financial aid and Kentucky reciprocity.

Culinary Arts (CUL)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.
