Health and Fitness Technology (HFT)

Health and Fitness Technology (HFT)

The health and fitness technician works in many areas of health promotion, and must be able to motivate clients, adapt exercises to client needs, and monitor the safety and progress of clients. Graduates of the Health and Fitness Technology program earn an Associate of Applied Science degree.

Cincinnati State also offers several certificates in specialized areas of health and fitness. These areas include aquatic fitness instruction and personal training, group fitness instruction, Pilates mat instruction, personal fitness training, resistance training, fitness instruction for special populations, and certification in lifeguarding and scuba diving.

Aquatic Group Fitness Instructor Certificate (AFIC)

The Aquatic Group Fitness Instructor certificate prepares students to design and lead comprehensive aquatic classes for clients at various fitness levels. Program graduates are prepared to take the Aquatic Exercise Association (AEA) national certification examination to become a Certified Aquatic Fitness Professional. Graduates may be employed by health clubs, corporate fitness centers, recreation programs, hospitals, or senior centers. Job activities may include designing safe aquatic classes, scheduling classes, and assisting clients with goal setting and motivation.

Aquatic Personal Trainer Certificate (APFTC)

The Aquatic Personal Trainer certificate is designed for experienced personal trainers who want to expand their menu of services by providing personal training for clients in an aquatic environment. Students learn about the effects of water properties on exercise programming, formats for aquatic exercise, and how to monitor exercise intensity in aquatic environments.

Graduates may be employed by health clubs, fitness centers, or wellness centers. Job activities may include fitness testing and risk factor identification, conducting individual and group exercise programs, counseling clients on behavior modifications, and designing individualized fitness programs.

Group Fitness Instructor Certificate (GFIC)

The Group Fitness Instructor certificate prepares students for job activities such as designing safe classes for traditional and/or step aerobic exercises, scheduling classes, setting goals, and motivating participants. Graduates are prepared to take a national certification examination to become a Certified Group Fitness Instructor. Graduates may work in health clubs, corporate fitness centers, aerobic studios, or recreation programs.

Health and Fitness Special Populations Certificate (HFSPC)

The Health and Fitness Special Populations certificate prepares students to work in the field of health and fitness with a wide range of special populations including clients with chronic diseases, youth, older adults, and clients concerned with women's health.

Lifeguarding Certificate (LIFEC)

The Lifeguarding certificate program prepares students for the American Red Cross Lifeguarding Certification. Students learn to recognize and respond to aquatic emergencies, prevent drowning and injuries, and meet standards for CPR for professional rescuers.

Personal Fitness Trainer Certificate (PFTC)

The Personal Fitness Trainer certificate prepares students to develop safe fitness programs focused on health maintenance for healthy individuals. Graduates may be employed by health clubs, fitness centers, or wellness centers. Job activities may include fitness testing, identifying risk factors, conducting individual and group exercise programs, counseling clients in behavior modification, and designing individualized fitness programs. Graduates are prepared to take the American College of Sports Medicine (ACSM) Certified PT Exam.

Pilates Mat Instructor Certificate (PMIC)

The Pilates Mat Instructor certificate prepares students to develop safe and effective Pilates Mat exercise classes for a variety of fitness levels. Individuals who complete this certificate will be prepared to teach Pilates Mat to people of all body types, ages, and physical conditions. Graduates may be employed by health clubs, wellness centers, and university recreation centers. Graduates are prepared to take the national certification examination to become a Certified Pilates Mat Instructor.

Resistance Training Certificate (RSTC)

The Resistance Training certificate prepares students to develop safe, effective, and efficient resistance training programs. Students evaluate biomedical, physiological, and genetic factors affecting strength and muscle tissue gain and learn proper form, technique, and spotting for resistance exercises using body weight, free weights, resistance machines, and other resistance-training disciplines. Graduates may be employed as corporate, community, or hospital-based fitness and personal resistance program trainers.

Scuba Diving Certificate (SCUBAC)

The Scuba Diving certificate provides students with the skills and techniques needed to complete the open water dives required for certification in scuba diving. Students learn about the physiology of underwater environments, entry and exit techniques, buoyancy control, how to handle specialized equipment, and how to respond to emergencies.

Yoga Teacher Training Certificate (YIC)

The Yoga Teacher Training Certificate prepares students to design yoga sequences for healthy adults, along with an introduction to designing yoga routines for children, pregnant women, and seniors. This 200-hour interdisciplinary program also covers other key aspects of yoga practice. Graduates of this certificate program qualify for registration with the National Yoga Alliance as a Registered Yoga Teacher (RYT) at the 200-hour level.

Health and Fitness Technology (HFT)

All degree-seeking students must complete a First Year Experience (FYE) course as part of the first 12 credit hours taken at Cincinnati State.

Total Credits:

Courses

HFT 100 Lifeguarding

2 Credits. 1 Lecture Hour. 2 Lab Hours.

A course that prepares students for the American Red Cross Lifeguarding Certification. Topics include: recognizing and responding to aquatic emergencies, preventing drowning and injuries, and CPR for the Professional Rescuer. Prerequisites: None

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=100subject_code=HFT)

HFT 102 Journal Writing

2 Credits. 2 Lecture Hours. 0 Lab Hour.

A course on using journal writing to reduce stress. Topics include: journaling techniques for self reflection, self exploration, and self healing. Prerequisites: None

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=102subject_code=HFT)

HFT 104 Herbology

4 Credits. 4 Lecture Hours. 0 Lab Hour.

A course on herbal preparations and their effects on the human body. Topics include: properties of herbs, categorizing herbs, naturopathic formulas, herbal reactions, and analysis techniques for deficiencies.

Prerequisites: None

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=104subject_code=HFT)

HFT 108 Aromatherapy

3 Credits. 2 Lecture Hours. 2 Lab Hours.

A course on using essential oils in clinical settings and personal life for specific conditions. Topics include: history; preparing a variety of blends; and understanding physiological, mental, and emotional effects of aromatherapy. Prerequisites: None

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=108subject_code=HFT)

HFT 116 Pilates Mat Instructor

2 Credits. 1 Lecture Hour. 2 Lab Hours.

A course that prepares students for the National Pilates Mat Certification Examination. Topics include: history and principles of Pilates, levels of exercises, safety guidelines, instructional concepts, and modifications for special populations. Prerequisites: AFL 085 and AFM 095 or appropriate placement test scores

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=116subject_code=HFT)

HFT 118 Yoga Teacher Training 1

5 Credits. 3 Lecture Hours. 4 Lab Hours.

A course that prepares students for National Yoga Alliance Certification. Topics include: building a personal practice, instructional concepts, safety guidelines, modifications for special populations, physical anatomy, and yoga techniques/practices Prerequisites: AFL 085 and AFM 095, or appropriate placement test scores

View Sections (http://webapps.cincinnatistate.edu/wwwTools/MCL/default.aspx?course_number=118subject_code=HFT)

HFT 119 Yoga Teacher Training 2

5 Credits. 3 Lecture Hours. 4 Lab Hours.
