Counseling Services

The mission of Cincinnati State Counseling Services (<http://www.cincinnati-state.edu/real-world-academics/student-services/counseling-center/program?searchterm=Counseling+Services>) is to promote student learning and development by providing counseling and referral services that address the developmental career and mental health needs of Cincinnati State students. Counseling Services are located in Main Building, Room 168. Phone: (513) 569-1552.

Counseling Services offered include:

Assessment: This is designed to identify a student's needs, appropriate services, and a possible referral to community resources.

Career Counseling: This service is intended to help students clarify interests and values, assess skills, and learn about the world of work and continuing education opportunities.

Consultation: Counselors are available for consultation with students, faculty, and administrators. Not every concern a student presents is necessarily served best by the College's Counseling Services. If it is determined that a student may be better served through other resources, the Counselor will refer the student to a related service on campus or to a community resource or agency.

Mental Health / Personal Counseling: Enrolled students may take advantage of one-on-one short-term counseling that is voluntary and focuses on personal concerns that impair a student's ability to function in a classroom setting. Mental health counseling and crisis intervention are among the services provided.

Disability Services

The Office of Disability Services (<http://www.cincinnati-state.edu/real-world-academics/student-services/students-with-disabilities>) works with students to ensure they receive academic accommodations in their courses of study. The primary goal is to guarantee that all students with disabilities have an equal opportunity in the pursuit of their educational objectives. Services and programs are available for students according to individual need. Students who consistently use the resources and accommodation services tend to earn higher grades and graduate at a higher rate than students who choose not to use them.

The College has renovated areas to make its facilities accessible to students with disabilities. Outdoor and indoor ramps, elevators, and specially designed restroom facilities are available to assist any physically disabled person.

Students with disabilities who need accommodations must first register with the Office of Disability Services and present appropriate documentation. Additionally, students must present their class schedules to the Disability Services Office at the start of an academic semester to determine appropriate accommodations. Students requesting accommodations after the fifth week of a semester may be required to have instructor consent before receiving certain services.

Services available include test proctoring, note-taking, scribing, interpreting, assistive technology, advocacy, and providing audio texts and Braille access, as well as referrals to other support services on campus and to community resources.

For more information, contact the Office of Disability Services in Main Building, Room 129, (513) 569-1775.

Library

The Johnnie Mae Berry Library (<http://www.cincinnati-state.edu/library/library/?searchterm=Johnnie%20Mae%20Berry%20Library>), named for the College's first librarian, provides library services to the College community. The library is open from 7:30 a.m. to 10 p.m. Monday through Thursday, 7:30 a.m. to 4:30 p.m. on Friday and 8 a.m. to 4 p.m. on Saturday. A trained staff member is available during these hours to assist library patrons in locating information and using the College's reference, circulation, and periodical collections. Along with standard print resources, the library has a wide array of resources available electronically.

The library's homepage is available online at www.cincinnati-state.edu/library or by clicking on the word "Library" from the College's homepage. It provides access to: BLINK, the library's online catalog; full-text articles via our databases and Electronic Journal Center; subject and class-specific LibGuides to assist with research 24/7; and video tutorials to help students find books and articles and avoid plagiarism.

Students may check out circulating books for a three-week period or audio books for a two-week period by presenting their SurgeCard. Books may be renewed up to six times provided no one has placed a hold on the item. Audiobooks may be renewed once. Items not returned within 30 days of being overdue will be billed at a rate of at least \$100 per item to cover the replacement and processing costs. Upon return the charge is reduced to \$25 per item.

Cincinnati State is a member of the Ohio Library Information Network, also known as OhioLINK. This network provides access to a central catalog of the colleges and universities throughout Cincinnati and Ohio. Students can request books from any other OhioLINK libraries through this system. Items are usually delivered within three days and are checked out for three weeks and renewed up to six times. Overdue fines of 50 cents per day are charged for books borrowed from other libraries. A fee of \$50 per item is charged for books overdue for 30 days.

Cincinnati State students also have access to a number of libraries in the area through the SWON Libraries (Southwest Ohio and Neighboring Libraries). To use the member libraries, students must obtain a SWON Common Patron ID card at the Circulation Desk in the Berry Library. These IDs expire at the end of each academic term and must be renewed every term. SWON's website, www.swonlibraries.org (<http://www.swonlibraries.org>), provides access to a member directory and lending policies.

The library's media collection provides a variety of popular and instructional media items which are available for students to view in the library during open hours. Media items in the Fiction and Biography sections are now available for a one-week check-out by students.

The library has four group study rooms which can be 'checked out' for two hour periods. It also has a variety of tables, desks, and carrels for individual study. Two coin-operated copiers are available.

Laptops are available for students to check out for two hours for use in the library. A SurgeCard is required for checkout. The laptops contain the software found in the computer labs and connect to the Internet via a wireless network. Students with overdue laptops are subject to \$5 fines for each hour they are late.

Success Center (Tutoring Services)

Cincinnati State provides free tutoring services to any student enrolled at the College. There are two locations: The Success Center Main (Room 261, Main Building) and The Success Center on the first floor of the Advanced Technology & Learning Center (ATLC).

The Success Centers at Cincinnati State serve as resources to support, improve and enhance student learning. This is achieved through the combined efforts of faculty, staff and tutors. In addition to faculty and staff volunteers and paid staff, student tutors work in the Success Center. Student tutors have received an A or B in their coursework. Tutors are interviewed, trained, and hired upon the recommendation of Cincinnati State faculty members.

Tutoring can be provided for most courses when students request assistance. Tutors can share ideas, interpret and clarify terms, and guide their students' efforts. However, they will not do the tutored student's homework. They may answer questions and explain terms and concepts, but may not correct written work before it is turned in. The student must attend class regularly, read the textbook, be prepared for tutoring sessions, have relevant questions, and complete all homework assignments. These efforts will facilitate academic success.

For more information, email successcenter@cincinnati-state.edu or phone (513) 569-1614.
