

# Pre-Nutrition Science (PNS)

## Pre-Nutrition Science (PNS)

The Pre-Nutrition Science program prepares students for transfer to a bachelor's degree program in nutrition science, dietetics with emphasis on business or exercise, or other dietetics-related programs. Students who complete the Pre-Nutrition Science program earn an Associate of Science degree and are well prepared to enter a four-year degree program at various institutions in the region.

The Pre-Nutrition Science program includes 105 hours of directed practice. Students are also required to complete an additional 31 hours of professional meetings, food shows, and wellness and program support activities.

Course requirements and application of transfer credits to bachelor's degree programs vary, so students should work closely with their Cincinnati State academic advisor as well as the advisor at the institution where they intend to complete a bachelor's degree.

Students who complete a bachelor's degree program are required to complete an internship before they can take the credentialing exam given by the Commission on Dietetic Registration.

For more information, please contact the Business Technologies Division at (513) 569-1620.

To apply for this program at Cincinnati State, visit our Admissions Page (<http://www.cincinnati-state.edu/academics/admission>)

## Pre-Nutrition Science (PNS)

Semester 1		Lec	Lab	Credits
BIO 151	Anatomy and Physiology 1 ( G )	3	2	4
DT 110	Community Nutrition ( B )	2	2	3
DT 120	Nutrition for a Healthy Lifestyle ( B )	3	0	3
