

Electrocardiography (Basic) Certificate (ECGBC)

Electrocardiography (Basic) Certificate (ECGBC)

Students who successfully complete the Basic Electrocardiography course will receive a certificate of completion.

Students learn the basic principles of electrocardiography, including understanding the electrical conductive system of the heart, interpreting basic ECG rhythm, preparing the patient and the equipment, and recognizing and correcting distortion problems.

For more information, please contact the Health and Public Safety Division at (513) 569-1670.
