Early Childhood Education (ECE)

The Early Childhood Education program at Cincinnati State prepares graduates for employment in a variety of early childhood settings. Students who complete the program earn an Associate of Applied Science degree, and are eligible to apply for the Pre-Kindergarten Associate Teacher License offered by the Ohio Department of Education.

The William L. Mallory Early Learning Center on the Cincinnati State Clifton Campus provides outstanding childcare and also serves as a learning lab for students earning the Early Childhood Education degree.

Graduates of the Early Childhood Education program are prepared to move directly into related employment opportunities or to transfer to a bachelor's degree program in a related field.

For more information, please contact the Humanities and Sciences Division at (513) 569-1700.
