Students or student groups may lease on-campus facilities through the Facilities Office, phone (513) 569-4123 or email eventscheduling@cincinnati.edu. The use of facilities is outlined in the Facility Usage and Rental Guidelines (<http://www.cincinnati.edu/about/administration/facilities>) on the College website.

Child Care (Mallory Early Learning Center)

The William L. Mallory Early Learning Center is located on the fourth floor of the Main Building (Clifton Campus) and has a learning laboratory on the first floor of the Main Building. It provides outstanding childcare on Cincinnati State's campus while serving as a learning lab for Cincinnati State students in the Early Childhood Education program.

The Mallory Center daytime program is designed for children ages three months to five years who are not yet eligible for kindergarten. Priority is given to students and staff of the College, but also serves families from the surrounding community.

This is a full-time, year-round program operated Monday through Friday, 7 am to 5:30 pm. The Mallory Center is closed when the College is closed. During the summer, the Center also provides experiences for school-age children.

The Mallory Center participates in the USDA food program, providing breakfast, lunch, and snack, thus supplying two-thirds of a child's daily needs.

Parents are welcome and encouraged to visit their children at any time. There are observation booths for most of the classrooms if parents wish to observe without being seen. Parents are also welcome to help in the classroom: reading books, eating lunch, or going on field trips.

All student-child interactions are guided by the faculty of Cincinnati State's Early Childhood Education program. Center teaching staff members are selected for their commitment to providing the best experiences for children, and their ability to guide Cincinnati State students in becoming skilled Early Childhood Education teachers.

Children at the Mallory Center benefit from increased adult-child interactions, while Cincinnati State student interns benefit from direct experiences working with the children and teachers at the Center.

Teachers also have training in CPR, first aid, common childhood illnesses, and child abuse recognition. All staff and volunteers have been fingerprinted and have had a complete background check.

The Mallory Center is licensed by the City of Cincinnati's Department of Health and the State of Ohio's Department of Job and Family Services. It is accredited by the National Association for the Education of Young Children (NAEYC). This voluntary achievement was initially awarded in 1998. The Mallory Center's commitment to quality care also is shown through voluntary participation in the Step up to Quality (STARS) rating system facilitated by the State of Ohio Department of Job and Family Services.

For more information about the Mallory Center, phone (513) 569-1504 or e-mail MalloryELC@cincinnati.edu. (malloryelc@cincinnati.edu)
