

The Honors Program

The Cincinnati State Honors Program supports the College goal of serving all aspects of the community by offering enhanced learning opportunities to academically talented, highly motivated students. The Honors Program curriculum complements existing degree programs; students can take Honors sections of many required courses.

The Honors Program strives to establish an intellectual community among students and faculty by providing challenging coursework, academic enrichment activities, academic honors advising, and opportunities for student involvement. Honors Program graduates receive recognition at commencement and on their diploma and transcripts.

The Honors Program is open to full-time and part-time admitted degree-seeking students, in all divisions of the College, who meet the entry criteria listed below. Students are first admitted to a degree program and then to the Honors Program.
