

Business Pathways Certificate (BUSC)

Business Pathways Certificate (BUSC)

The Business Pathways Certificate is designed for students who want to learn fundamental business concepts while also completing some of the required courses (general education requirements and basic business requirements) for an Associate of Applied Business degree.

Students admitted to one of the following Cincinnati State associate's degree programs may wish to add the Business Pathways Certificate:

- Accounting
- Business Management
- Finance Technology
- Hospitality Management
- Marketing Management
- Pre-Business Administration
- Supply Chain Management

Students with degrees in non-business areas may use this certificate to prepare for entrance into a Master of Business Administration (MBA) program.

High school students who are earning college credits through College Credit Plus may also wish to pursue the Business Pathways Certificate.

To ensure that courses taken as part of the certificate will apply to degrees earned at Ohio public universities, students should select electives that are part of the Ohio Transfer Module or the Ohio Transfer Assurance Guide. Certificate advisors assist students in choosing elective courses.

For more information, please contact the Business Technologies Division at (513) 569-1620.

To apply for this program at Cincinnati State, visit the Admissions (<http://www.cincinnati.edu/academics/admission/>) section of the College website.
