

# Medical Assistant Certificate (MAC)

## Medical Assistant Certificate (MAC)

Medical assistants are multi-skilled professionals who perform administrative, clinical, and management functions in medical practice organizations.

The Medical Assistant certificate prepares students to work in physicians' offices providing patient care, performing administrative tasks, and managing the medical office. Job responsibilities may include:

- Administrative tasks such as scheduling appointments, handling correspondence, maintaining and filing patient records, billing, bookkeeping, and completing insurance forms
- Clinical tasks including taking and recording medical histories, preparing patients for examinations, assisting with examinations and office surgeries, measuring vital signs, performing therapeutic and diagnostic tests, and giving injections
- Management tasks related to patient care, office personnel, and physician time

Medical Assistant students complete supervised clinical practice, including 160 hours of unpaid practicum experience, to develop their medical assisting competencies. Students who complete the program successfully are eligible to take the examination to become a Certified Medical Assistant (CMA).

The Cincinnati State Medical Assistant Certificate program is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Medical Assisting Education Review Board (MAERB).

The Commission on Accreditation of Allied Health Education Programs is located at 25400 US Highway 19 N., Suite 158 Clearwater, FL 33763. Phone 727-210-2350. Website: <http://www.caahep.org>.

The program's curriculum is guided by the standards developed by the Commission. The accreditation status means Cincinnati State has met the standards required of the profession and helps to assure the public that program graduates are competent clinicians. It also qualifies the College's Medical Assistant Certificate graduates to sit for the CMA (AAMA) certification examination.

Verification of accreditation can be viewed at the CAAHEP website: <https://www.caahep.org/Students/Find-a-Program.aspx>.

For more information, please contact the Health and Public Safety Division at (513) 569-1670.

To apply for this program at Cincinnati State, visit the Admissions (<http://www.cincinnati.edu/academics/admission/>) section of the College website.

## Medical Assistant Certificate (MAC)
