Landscape Technician Certificate (LTC)

Landscape Technician Certificate (LTC)

The Landscape Technician Certificate prepares students to immediately enter the landscaping industry as a skilled technician with general knowledge of plant science, landscape operations, and design.

All of the certificate courses can be applied to an associate degree program in Landscape Horticulture, Sustainable Horticulture, or Turfgrass Management, where students will also earn an OSHA 10 certification.

For more information, please contact the Business Technologies Division at (513) 569-1620.

To apply for this program at Cincinnati State, visit the Admissions (http://www.cincinnatistate.edu/academics/admission) section of the College website.
