

Academic Support Services

Academic Advising

Academic advising assists students in reaching their academic and career goals at Cincinnati State. Program chairs, academic advisors, other faculty members, and some staff members are assigned to guide students through activities such as:

- Setting academic goals
- Developing educational plans
- Selecting courses
- Providing information on transfer credits
- Understanding and meeting requirements for graduation
- Clarifying career and personal goals
- Explaining academic policies and procedures
- Addressing academic challenges
- Making appropriate referrals to campus support services

Mandatory Advising

Students are required to meet with an academic advisor prior to registering for their first two semesters. In some cases, students may be required to meet with an advisor each semester prior to registering for classes until all prerequisite coursework has been completed for admission into their major.

Counseling Services

Cincinnati State Counseling Services promote student learning and development by providing counseling and referral services that address the developmental, career, and mental health needs of Cincinnati State students.

Counseling Services offered include:

Assessment: Help in identifying a student's needs, appropriate services, and a possible referral to community resources.

Consultation: Counselors are available for consultation with students, faculty, and administrators. Not every student concern is necessarily served best by the College's Counseling Services. If a counselor determines that a student may be better served through other resources, the student is referred to a related on-campus service or to a community resource or agency.

Mental Health/Personal Counseling: Enrolled students may take advantage of one-on-one, short-term counseling that is voluntary and focuses on personal concerns that impair a student's ability to function in a classroom setting. Mental health counseling and crisis intervention services are provided also.

For more information, contact the Counseling Services office in Main Building Room 171 (Clifton Campus), call (513) 569-5779, or send email to counseling@cincinnatiastate.edu.

Career Counseling: The Cincinnati State Career Center in ATLC Building Room 215 (Clifton Campus) helps students clarify interests

and values, assess skills, and learn about the world of work and continuing education opportunities.
