

Student Responsibilities (Student Code of Conduct)

Introduction and Purpose

The Student Code of Conduct is established to foster and protect the core mission of the College, to foster the scholarly and civic development of the College's students in a safe and secure learning environment, and to protect the people, properties and processes that support the College and its mission.

Misconduct such as cheating, plagiarism, fabrication, or other forms of academic dishonesty will be referred to the Dean or designee of the academic division in which the course is taught. The Academic Integrity Policy and Violations Procedure is provided in the Academic Policies and Procedures (<http://catalog.cincinnatiastate.edu/archives/2022-2023/academicpoliciesandprocedures/>) section of this Catalog.

5. Facility Suspension: The student no longer has the privilege of entering or using a particular facility or building for a specified period of time or until a specific condition is met.

Emergency Removal for Threatening or Disruptive Behavior

There will be occasions when, in the opinion of the instructor or other students, inappropriate classroom behavior by a student involves an imminent threat to safety or threatens to disrupt seriously the classroom education process. In these circumstances the instructor should immediately contact Cincinnati State Police and have the student removed from the class. The Cincinnati State Police will provide an Incident Report for the Student Conduct Code review. The instructor or staff member is also required to complete a police Incident Report outlining their perspective of the incident.

Threatening or disruptive behavior can be described in many ways. The definition will be left to the discretion of the classroom instructor or students at the time of the incident. In cases of uncertainty it

is recommended to err on the side of safety. The incident will be immediately managed and the rights and safety of all will be protected.

If emergency removal of a student is prompted by a physical altercation or an arrest because of an on-campus incident, the student shall be immediately referred to the Senior Director of Student Success & Development and shall not return to class without permission from the Director.

Interim Suspension

When the Senior Director of Student Success & Development or his/her designee has reasonable cause to believe that the student's presence on College premises or at a College-related or registered student organization activity poses a significant risk of substantial harm to the health or safety of others or to property, the student may be immediately suspended from all or any portion of College premises, College-related activities, or registered student organization activities. This interim suspension will be confirmed by a written statement and shall remain in effect until the conclusion of a full hearing or administrative decision, without undue delay, in accordance with the rules of the College. The student may, within three (3) working days of the imposition of the suspension, petition the Senior Director of Student Success & Development. The petition must be in writing, and must include supporting documentation or evidence that the student does not pose, or no longer poses, a significant risk of substantial harm to the health or safety of others or to property. A hearing on such petition will be conducted without undue delay by the Senior Director of Student Success & Development or his/her designee.

Filing of Complaint and Initiation of Charges

Every formal complaint of a non-academic violation of the Student Code of Conduct shall be handled in accordance with the procedures described herein:

1. Any student, faculty member, staff member or College administrator may file a formal complaint against a student alleging a violation of the Student Code of Conduct.
2. A formal complaint must be reported by the complainant using the incident form which can be found at following web address: <https://publicdocs.maxient.com/incidentreport.php?CincinnatiState>. Any verbal complaint not placed in written form may be managed by the Senior Director of Student Success & Development as appropriate. A written complaint alleging a violation of the Student Code of Conduct should be filed with the College as soon as possible following the discovery of the alleged violation. The written complaint must be filed within thirty (30) calendar days from the date upon which a College official becomes aware of the alleged violation and identifies the student(s) who allegedly committed the violation. Absent extraordinary circumstances, the College must initiate charges, if any, within one year of its filing.
3. All non-academic complaints will be referred to the Senior Director of Student Success & Development, or their designee, for investigation, informal resolution, and/or resolution. A temporary hold may be placed on a student's account pending an investigation, informal resolution and/or resolution.
4. After interviewing the accused student and all appropriate witnesses in the matter, and reviewing documentary and other

evidence related to the matter, the Senior Director of Student Success & Development, or their designee, may take the following actions:

- Determine that no, or insufficient, grounds exist to believe that a violation occurred and dismiss the complaint.
 - Determine that sufficient grounds exist to believe that a violation occurred and forward the issue to the Administrative Conference process, if appropriate, or the Student Conduct Hearing Panel to conduct a formal hearing of the complaint. In the event of such a determination, the Senior Director shall prepare a report, including a summary of the complaint and the issues involved, and list of potential witnesses and other persons believed to have information about the complaint.
5. If the Senior Director of Student Success & Development was involved either in the incident that gave rise to the allegation of a Code violation, or previously counseled the accused student or the complainant about the matter, the Provost may appoint a designee to hear the case.
 6. The Student Conduct Hearing Panel will, whenever possible, be convened within thirty (30) calendar days following notification to the accused student.

Standard of Evidence

Decisions made by Student Conduct Hearing Panel will be made based on a preponderance of the evidence standard.

Due Process

In all situations students and student organizations will be assured of fair and equitable treatment through consistent adherence to the due process procedure as described herein:

1. Be notified of any complaint filed against the student.
2. Be heard in an unbiased non-threatening environment.
3. Know the identity of the complaining party (unless it will cause a clear and present danger to the complainant).
4. Be notified of any sanctions or actions in writing.
5. Be notified of the appeals process.

Administrative Conference

Depending on the nature of the offense, a student may have the opportunity to participate in an Administrative Conference. Participation in an Administrative Conference permits a student to admit, in writing, to an offense and move directly to the administration of sanctions. The sanction(s) may be imposed by the Senior Director of Student Success & Development, or their designee. Students who participate in an Administrative Conference retain their ability to appeal the imposition of sanctions, but only on the grounds that the sanction is grossly disproportionate to the offense committed.

A student who has questions about the Administrative Conference, or its availability in a particular matter, is encouraged to, and shall be afforded an opportunity to, meet with a College official who will explain the Administrative Conference process as well as the Student Conduct Hearing Panel process.

Hearing Panel

If a matter is referred to the Student Conduct Hearing Panel, such a panel will consist of three faculty or staff members appointed by the Senior Director of Student Success & Development, or their designee. The Senior Director of Student Success & Development, or their designee, shall appoint one of the Hearing Panel members as Chair.

Notice of Hearing

If a hearing is to be held, the Senior Director will schedule a date and time for the Hearing Panel to convene to hear the complaint, taking into consideration the class schedule of the accused student and the availability of potential witnesses and Hearing Panel members. Where possible, the hearing should take place within thirty (30) calendar days following the referral of the matter to the Senior Director. Written notification of the date, time, and location of the hearing may be hand delivered; sent by email to the accused student's official College email address; or mailed to the last known address of the student, either by certified mail or first class mail, no fewer than ten (10) calendar days prior to the hearing.

The accused student may request a postponement for reasonable cause, or a hearing separate from hearings for other accused persons. A request for a postponement for reasonable cause must be made in writing, include supporting rationale and be received by the person sending the hearing notification at least two (2) business days before the scheduled hearing. The student may also have an attorney or any other person of the student's choosing present at the hearing, but this person shall be an advisor only and shall not participate in the hearing.

Hearing Procedures

Although the procedural requirements are not as formal as those employed in criminal or civil proceedings in courts of law, to ensure fairness, the following procedures will apply and, be included within the hearing notice:

1. Attendance at hearings is limited to those directly involved or those requested by a participant in the hearing or by a panel member. The Chair will take reasonable measures to assure an orderly hearing, including removal of persons who impede or disrupt proceedings.
2. The accused student may have an advisor throughout the hearing. The advisor may only counsel the student and may not actively participate in the hearing, unless specifically requested by the Chair.
3. The accused may submit a written statement; may invite relevant factual witnesses to attend and answer questions; may invite character witnesses to submit written statements, may, as approved in advance by the Chair, invite character witnesses to testify in person; may ask questions of witnesses called by others; and shall be notified of potential witnesses to be called. The accused must also submit a list of potential witnesses, and identify those who are character witnesses only, to the Senior Director or designee at least two (2) business days prior to the hearing. The College may present witnesses as well as question those presented by the accused.
4. Students are entitled to a presumption of innocence. Therefore, a student will not be found in violation unless a preponderance of the evidence supports the charge(s).
5. At the conclusion of hearing and review of all the information, including testimony, the accused student will be given the opportunity

to make a closing statement. After the closing statement, the Hearing Panel will decide, by majority vote, outside the presence of the accused student and any other non-Hearing Panel members, whether the student violated the College Student Code of Conduct. At that time the Senior Director will provide information to the panel about any prior misconduct by the student. Based upon the panel deliberations and any additional information presented, the panel will decide on what appropriate sanctions will be imposed.

6. Sanctions should be commensurate with the violation(s) found to have occurred. In determining the sanction(s) to be imposed, the Senior Director should take into account any mitigating circumstances and any aggravating factors including, but not limited to, any provocation by the subject of the conduct that constituted the violation, any past misconduct by the student, any failure of the student to comply fully with previous sanctions, the actual and potential harm caused by the violation, the degree of intent and motivation of the student in committing the violation, and the severity and pervasiveness of the conduct that constituted the violation. Conduct, other than constitutionally protected expression, motivated by bias based on age, color, disability, gender identity or expression, national origin, race, religion, sex, sexual orientation, or veteran status, may be considered an aggravating factor for sanctioning. Impairment resulting from voluntary use of alcohol or drugs (i.e., other than medically necessary) will also be considered an aggravating, and not a mitigating, factor. The Hearing Panel may recommend any of the sanctions set forth in the Potential Sanctions section of this Student Code of Conduct.

7. The decision of the Hearing Panel shall be placed in writing, and the Senior Director will provide documentation that due process has been followed. In the same notification, the student shall be informed of the procedure by which to appeal the decision. Such notification may be hand delivered; sent by email to the parties using official College email addresses; or mailed to the last known address of the parties, either by certified mail or first class mail.

Record of Proceedings

A single record consisting of written notes, tape recording, or other method selected by the Hearing Panel or Senior Director of Student Success & Development or his/her designee, will be made of all hearings. Such record will remain the property of the College but will be made available to the accused for review during the appeal period.

Failure to Appear

If a student fails to appear for a scheduled conduct hearing with the Senior Director of Student Success & Development or for an appearance before the Student Conduct Hearing Panel, the case may be adjudicated and a sanction imposed in the student's absence. The Senior Director or Student Conduct Hearing Panel will consider the facts presented when making their decision. The student's absence will not be a factor in the determination. The Senior Director will then notify the student of the decision in writing. If the student is found in violation of the Student Code of Conduct and a sanction is applied, the sanction must be completed by the student in the allotted time or a hold will be placed on the student's record in the student database.

Failure to Complete a Mandatory Sanction

Failure to complete a required sanction is a serious offense at Cincinnati State. It is considered an additional violation of the Student

Code of Conduct, and will usually result in more serious sanctions being imposed.

For failure to complete a sanction, a hold will be placed on the student's record in the student database, and any pre-registration activity may be deleted. Thus, it is very important for students to complete sanctions on time and avoid a hold being placed on their academic records or registration.

Appeal Process

A student who would like to appeal a decision made by the Student Conduct Hearing Panel must deliver a written letter of appeal to the College's Provost, or their designee. The appeal must set forth why the student believes the decision or sanction should be overturned or modified, based on one or more of the grounds set forth below. The appeal must be postmarked, emailed, or hand-delivered within ten (10) calendar days after the outcome of the Student Conduct Hearing Panel was delivered to the student.

Grounds for Appeal

An appeal may be based only upon one or more of the following grounds:

1. Procedural error;
2. Discovery of substantial new facts that were unavailable at the time of the hearing; and
3. That the disciplinary sanction imposed is grossly disproportionate to the violation committed.

Appeal Proceedings

The Provost, or their designee, will review all of the materials submitted by the student and the College file on the matter. They may, but are not required to, review the recording of the Student Conduct Hearing Panel (if one exists) or interview the student and/or other persons who may have information relevant to the appeal.

If the student has submitted substantial new information not available at the time of the Student Conduct Hearing Panel, the Senior Director of Student Success & Development will receive a copy of the new information and may present a response or other additional information related the student's new information. The student will receive a copy of or be present for the presentation of any such new information or response from the Senior Director of Student Success & Development.

The Provost, or their designee, will determine whether the outcome of the Student Conduct Hearing Panel, or the Administrative Conference, will be upheld, whether there should be a reduced sanction, or whether the case should be remanded for an additional conference, hearing, or in the case of appeals from an Administrative Conference, re-sanctioning. The Provost, or their designee, will issue the decision within ten (10) calendar days of the date of receipt of the student's appeal letter if possible

The decision of the Provost, or their designee, will be put in writing and a copy will be provided to the student via hand delivery; sent by email using official College email addresses; or mailed to the last known address of the parties, either by certified mail or first class mail.

The decision of the Provost, or their designee, shall be final.

At the conclusion of the appeal process, all records of the proceedings will be returned to the Senior Director for retention in accordance with College policy and applicable law.

Minor Deviations from Procedure

A student and the Senior Director of Student Success & Development or designee may agree in advance to minor deviations from procedure. Such deviations are not then subject to appeal. Other minor deviations are acceptable as long as such deviations are not found upon appeal to be unreasonably harmful to the student.

Confidentiality

Disciplinary matters are kept confidential to the extent required by law.

Retention of Records

All non-academic student disciplinary records are maintained in the office of the Senior Director of Student Success & Development for a period of five (5) years. Expulsion records are kept forever, and all other files are purged after five years.

Jurisdiction

The Student Code of Conduct applies to conduct of students that occurs on College premises. The Code also applies to conduct of students that occurs online or via telephonic or electronic means, including but not limited to the College electronic learning system, texting, the Internet, and social media. The Code also applies to conduct of students that occurs away from College premises if the conduct is deemed to affect the College or its students and employees. Examples of non-College premises where student conduct will be subject to the jurisdiction of the Code, include but are not limited to:

- Any location where a course is being provided.
- Any clinical practice sites;
- Any activity performed to satisfy academic course requirements, such as internships, field trips, or student teaching;
- Any activity supporting pursuit of a degree, such as research at another institution;
- Any activity sponsored, conducted, or authorized by the College or by student organizations, including but not limited to, social events, athletic contests, and philanthropic activities;
- Any activity that causes substantial destruction of property belonging to the College or members of the College community or causes serious harm to the health or safety of members of the College community; or
- Any activity in which a police report has been filed, a criminal indictment or information has been issued, or an arrest has occurred for a crime of violence.

Each student shall be responsible for their conduct from the time of notification of acceptance for admission through the actual awarding of a degree or certificate, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment, even if the misconduct is not discovered until after a degree or certificate is awarded. The Code shall apply to a student's conduct even if the student withdraws from the College while a disciplinary matter is pending. The Senior Director of Student Success & Development shall determine, in his or her sole discretion, whether the Code will be

applied to conduct occurring off College premises, on a case by case basis.

All formal complaints alleging a violation of this Code shall be subject to the student disciplinary procedures. Any student who is found to have committed an act of misconduct may be disciplined in accordance with the Code. If the student is suspected of violating a state or federal law, the incident may be reported to the Cincinnati State Technical & Community College Police and appropriate law enforcement agency. Civil or criminal charges may occur concurrently with allegations under this Code.

The College reserves the right to initiate conduct proceedings without a formal allegation by the victim or witnesses of misconduct.

All statements in this Code of Conduct are announcement of present policy only and are subject to change at any time without prior notice.

Addendum for Students Accused of Sexual Harassment or other Sexual Misconduct

This Addendum to the Student Code of Conduct applies to Prohibited Non-Title IX Sexual Harassment and Sexual Misconduct.

All complaints or reports of sexual harassment, dating violence, domestic violence, stalking, and sexual assault by students will initially be referred to the Title IX Coordinator or designee for review and determination of whether the allegation is covered by the *Sex Discrimination, Title IX Sexual Harassment, and Retaliation Policy* ("Title IX Policy").

If the reported conduct is not within the definitions or jurisdictional elements of the Title IX Policy or is not Prohibited Non-Title IX Sexual Harassment and Sexual Misconduct, as defined below, it will be evaluated under the Student Code of Conduct to determine if it is prohibited behavior under the Student Code of Conduct.

Prohibited Non-Title IX Sexual Harassment and Sexual Misconduct Definitions

- i. **Advisor** means an individual providing support, guidance, or advice to either party where the matter involves the Code's prohibition of dating violence, domestic violence, sexual assault, or stalking. This definition is not to be confused with the definition of Advisor in any other College policy or procedure, including the College's Title IX Policy.
- ii. **Dating violence (non-Title IX)** has the same definition of Dating Violence in College's Title IX Policy, but is either not on the basis of sex or does not meet all of the threshold requirements to be addressed under the Title IX Policy.
- iii. **Domestic Violence (non-Title IX)** has the same definition of Domestic Violence in College's Title IX Policy, but is either not on the basis of sex or does not meet all of the threshold requirements to be addressed under the Title IX Policy.

2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual or access by the individual to aid, benefits, or services; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's job performance or learning ability or creating an intimidating, hostile, or offensive working environment.

vi. **Sexual Exploitation** is an act or acts committed through non-consensual abuse or taking advantage of another person's sexuality for the purpose of sexual gratification, financial gain, personal benefit or advantage, or any other non-legitimate purpose. Examples include, but are not limited to:

1. Invasion of sexual privacy,

- i. A student alleged to have violated the Student Code of Conduct's prohibition on dating violence (non-Title IX), domestic violence (non-Title IX), sexual assault (non-Title IX), sexual exploitation, sexual harassment (non-Title IX), or stalking (non-Title IX), may be accompanied by an Advisor.
