

Computer Applications Certificate (CAPC)

Computer Applications Certificate (CAPC)

The Computer Applications Certificate assists professionals who are seeking career development opportunities while earning college credit, as well as students in any program or major who want to increase employment options by adding to their computer skills.

The certificate program builds proficiencies in using Microsoft Office software within a workplace environment. Many of the certificate courses prepare students to take Microsoft Office Support and Expert Specialist certification tests for various Microsoft Office software applications.

For more information, please contact the Business Technologies Division at (513) 569-1620.

To apply for this program at Cincinnati State, visit the Admissions (<http://www.cincinnati.state.edu/academics/admission/>) section of the College website.

Computer Applications Certificate (CAPC)

Prior to enrolling in the Computer Applications Certificate program, students must complete a keyboarding assessment to demonstrate their ability to type a minimum of 35 words per minute. If the typing speed is below 35 wpm, students will be directed to take IM-111A or IM-105.
